Passionate React Native Developer skilled in building scalable cross-platform mobile applications using React Native, Redux Toolkit, Node.js, MongoDB, REST APIs, and Firebase. Experienced in developing responsive mobile UIs, authentication systems, AI-powered features, and high-performance applications for Android and iOS platforms.

TECHNICAL SKILLS

Languages

JavaScript, Java, Swift, Python

Mobile Development

React Native, Redux Toolkit, SwiftUI, Expo

Backend & APIs

NodeJS, ExpressJS, MongoDB, REST APIs

EXPERIENCE

iOS & Vision Pro App Developer Intern

Ramakrishna Math, Mylapore • Nov 2025 – Jan 2026

Worked on modern mobile applications and immersive Apple ecosystem experiences using SwiftUI and visionOS technologies.

- Developed iOS applications using Swift and SwiftUI.
- Built prototype mobile experiences for Apple Vision Pro.
- Worked on immersive UI systems and responsive layouts.
- Explored modern mobile app architecture concepts.

PROJECTS

Quickart E-Commerce Mobile App

React Native • Redux Toolkit • MongoDB • JWT

Cross-platform e-commerce mobile application with authentication, cart management, and backend integration.

- Implemented JWT authentication and secure session handling.
- Managed global app state using Redux Toolkit.
- Developed scalable REST APIs using Node.js and MongoDB.
- Built responsive UI optimized for Android and iOS.

Viveka-AI Chatbot

React Native • Gemini API • AI Integration

AI-powered chatbot application supporting conversational responses and AI image generation.

- Integrated Google Gemini API for chatbot functionality.
- Implemented AI image generation using external APIs.
- Designed responsive mobile UI using React Native.

Belur Math Aarti Timings iOS App

SwiftUI • iOS Development • XCode

Mobile iOS application displaying Belur Math aarti schedules with interactive date selection features.

- Built responsive SwiftUI interfaces for iOS devices.
- Implemented interactive date-based scheduling system.
- Optimized user experience for mobile devices.

EDUCATION

Bachelor of Computer Applications

Ramakrishna Mission Vivekananda College
2023 – 2026

HSC

DRBCC Higher Secondary School
2022 – 2023

ACHIEVEMENTS

Quest IT'26 Coding

Secured 1st Place in Coding Competition at Madras Christian College.

Quest IT'26 Debugging

Won 1st Place in Debugging Competition at Madras Christian College.

Mini Project Winner

Secured 1st Prize in Intra-College Mini Project Event.
